01 TAKEDA USA MITSUBISHI LANCER SHORT RAM INTAKE

The Takeda Retain short ram air intake replaces the bulky and inefficient factory intake for increased horsepower, torque and improved throttle response. This system also comes with a 1-piece black powdercoated intake housing to keep the intake charge cool. All Takeda air intake systems come complete with polished aluminum tubing, a Pro Dry S performance air filter, couplers, clamps and all the necessary hardware for a simple installation. afepower.com

02 TITAN MOTORSPORTS TMS STAGE 2 TRANSMISSION

This beefy transmission is a great upgrade for any street or race-bred Supra. Rated up to 800 hp, this transmission has been thoroughly tested and proven reliable for street use and provides consistent times on the dragstrip. Titan Motorsports has developed a smooth yet decisive feel to the shifting in this automatic, a thing rarely achieved in after-market race transmissions. titanmotorsports.com

03 GLOWSHIFT GAUGES 3 IN 1 COMBO GAUGE

The new 3 in 1 combination gauge boasts a variety of distinctive space-saving features packed into a single 60mm gauge. This unit provides the ability to monitor boost pressure, exhaust gas temperature and another temperature measurement indicator from your choice of oil, water or transmission fluid. Each electronic unit comes with the necessary sensors and senders needed for a quick installation and easy operation right out of the box. glowshift.com

04 AMS Z STORE GT-R MAXSLOT FLOATING ROTORS

AMS Z Store released its R35 GT-R Max Slot rotors to bridge the gap between OEM replacements and big brake kits. A 15-inch, 2-piece design with 26 diamond slots for improved heat dissipation and superior bite and wear properties make these replacement rotors definite winners. These rotors are a cost-effective and durable alternative to stock and aren't prone to cracking, like X-drilled rotors. They're the lightest OEM-sized units and are a great option for street or light track use. amszstore.com

05 VEROCIOUS MOTORSPORTS BOOST ACCESSORIES

Verocious Motorsports has everything you need to finish the plumbing on your turbo setup. From aluminum tubing and high-quality mandrel bends to intercoolers, silicone hoses, air filters and clamps, you'll find everything you need to complete your project with Verocious. verociousmotorsports.com
