We're giving away a custom-built Jeep to one lucky winner, and you get to decide what Jeep parts are going to make up this sweet ride.

You get one vote each month for the featured product. After 10 months, a winner will be chosen, giving you 10 possible entries.

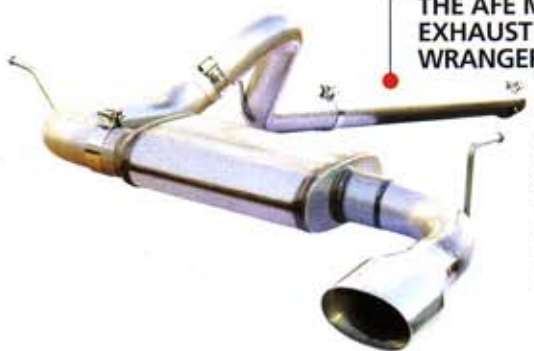

MAGNAFLOW JEEP WRANGLER STAINLESS CAT-BACK EXHAUST SYSTEM

Dyno tested and proven to make power performance gains in horsepower and torque, great sound — has a smooth, deep tone — easy to install, 2.5-inch mandrel-bent tubing that's all welded and built to last. Includes 4x9x22" polished muffler with a 3.5" polished tip with single rear exit. Dyno proven power at 10 hp & 12 lb. ft. of torque. Comes with a lifetime warranty.

THE AFE MACH FORCE XP EXHAUST SYSTEM FOR THE JEEP WRANGLER JK.

This exhaust is constructed out of 409 stainless steel and is finished off with a polished 304 stainless steel tip (welded on). This exhaust system has band-style clamps and OE style bayonet hangers for a super clean installation with little shift. This system has a quiet idle and an aggressive on-throttle sound.

BANKS MONSTER® EXHAUST 3.8L V-6 WRANGLER

Constructed entirely of heavy-gauge stainless steel, the system features a supersized, 2.5-inch tailpipe with a stainless tailpipe tip polished to a mirror finish. Monster Muffler, Banks' straight-through performance muffler more than doubles the stock flow. It virtually eliminates backpressure from the catalytic converter back, for more power and efficiency — and an authoritative, yet civil, exhaust note. Includes Stainless Monster muffler; Stainless 2.5" tailpipe; Polished stainless tailpipe tip; Mounting hardware.

ENGINEERED ADRENALINE

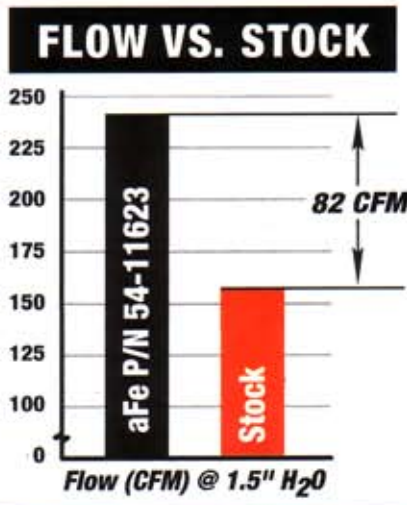

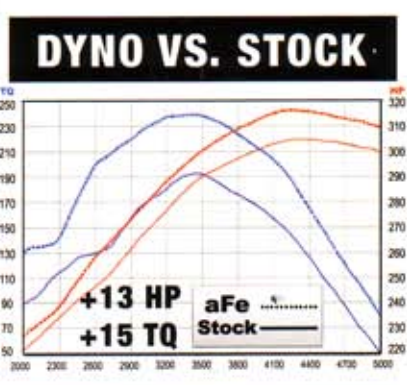

STAGE 2 AIR INTAKE SYSTEM FOR YOUR 09 FORD F150 5.4L

Polished clear coat anodized intake tube is engineered for maximum air velocity and style.

Starting at **\$310**

1-piece, powder coated steel housing for strength and durability. This system mounts to the lower half of the factory intake box.

Huge 360° high flow air filter increases air flow by 35% over factory intake.

AFe ANNOUNCES A \$25 CONSUMER REBATE PROMOTION

advanced FLOW engineering (aFe), announces the release of their \$25 Consumer Rebate Promotion. Through 5-31-10, aFe will be rewarding its customers with a \$25 rebate for every Stage 2 intake system purchased in the promotional period. All you have to do is send in the rebate form with a copy of your purchase receipt and aFe will send you \$25 for each qualifying product which can be purchased at 4 Wheel Parts stores or by calling 800-284-9840. Go to www.aFepower.com for details and to get your rebate form.

16TH ANNUAL LASSEN-APPLEGATE EMIGRANT TRAIL RIDE

The High Rock Trekkers 4x4 Club will host its 16th annual Lassen-Applegate Emigrant Trail Ride, Friday, July 16 through Monday, July 19, 2010. This trip is open to all four-wheel drive enthusiasts including owners of stock sport utility vehicles (SUV). The 200-mile historical journey will begin near Imlay, NV and follow the same wagon train route used by Peter Lassen in 1849. Participants will see and learn about key points of interest including Double Hot Springs, the Black Rock Desert, High Rock Canyon, site of Lassen's murder, Soldiers Meadow, and much more. The trip will conclude in Surprise Valley, CA near Cedarville in Modoc County. Cost for the trip is \$275 per adult, \$150 children ages 7-14, and kids under 7 are welcome free of charge. All meals are included. For photographs of previous trips, visit the club website at www.highrocktrekkers.com. For more information or to request a registration packet, contact Warner Anderson at (775) 629-9232 or wana7448@sbcglobal.net; Ron Vance at (775) 246-4099 or vance63@charter.net.
