ENGINEERED ADRENALINE

STAGE 2 AIR INTAKE SYSTEM FOR YOUR 09 FORD F150 5.4L

Polished clear coat anodized intake tube is engineered for maximum air velocity and style.

Starting at
\$310

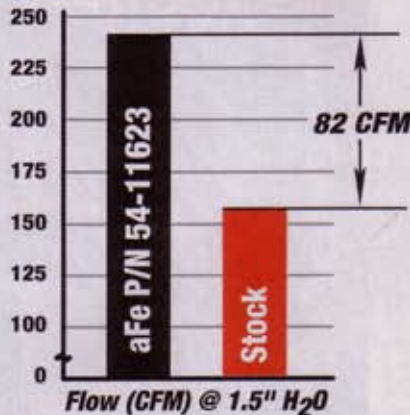

1-piece, powder coated steel housing for strength and durability. This system mounts to the lower half of the factory intake box.

Huge 360° high flow air filter increases air flow by 35% over factory intake.
